

2716-US Universal Design Kitchen Sink

2716-US Single Bowl

I.D.: 27" x 16"

Depth: 5 1/2"*

*Depth does not include counter top thickness

The **Gemstone 2716-US Universal Design Single Bowl Sink** provides another solution for kitchens or company break rooms that need a Universally Designed kitchen sink. Gemstone sinks provide unparalleled performance in any solid surface sheet material. The 2716-US sink fits well in a 30" cabinet and is ideal for a space saving kitchen needing a large single bowl sink. The offset drain to the back frees up cabinet space under the sink and provides appropriate knee clearance for ADA applications.

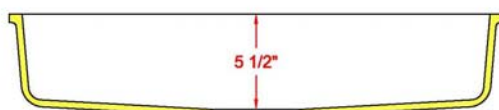

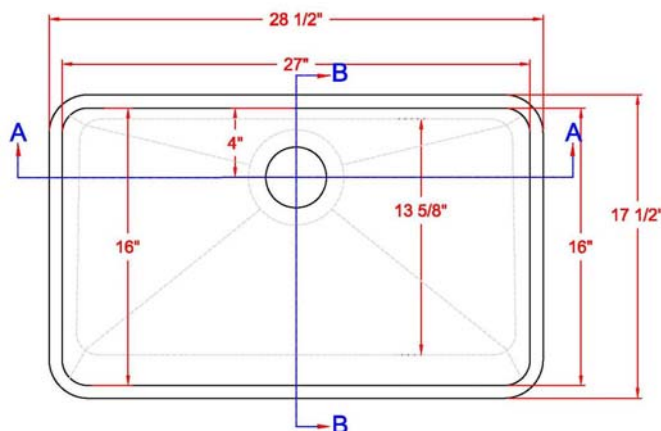

Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands with the same sheet warranties.

Gemstone supports conservation and green building practices and may contribute toward achieving LEED® building certification in commercial projects. All Gemstone Sinks use resin containing 15% post-consumer recycled content and 5.5% rapidly renewable materials.

Gemstone sinks are proudly made in the USA.

Gemstone sinks are certified by: **Home Innovation Lab (NAHB)** (ANSI Z124.6)

UL in the US and Canada (ANSI Z124.6 & B45.0-99)
